FORCED CLOSURES

CANCELLATION/CLOSURE BY SCHOOL, GOVERNMENT OR REGULATORY BODIES:

- There are occasions when public bodies (such as the School, Government, or Regulatory Authorities) may close the school site. In these circumstances, KidsVentures will be unable to operate, as the closure is outside of our control.
- In the event of a forced closure, KidsVentures will initiate a business assessment and survival plan to determine the most viable operational approach.
- As part of this assessment, KidsVentures may introduce a holding fee arrangement to cover fixed business costs. This fee covers the service of holding a child's place during the closure period.
- Parents/Carers will be under no obligation to pay the holding fee. However, KidsVentures reserves the right to prioritise places for families who choose to pay the holding fee, in order to support business viability.

CANCELLATION OF BOOKING BY KIDSVENTURES:

- If KidsVentures is forced to close due to external factors such as severe weather, infectious or contagious disease outbreaks, power cuts, teacher strikes or other industrial action, or by order of the Local Authority, Environmental Health, or other regulatory bodies, KidsVentures will be unable to operate. These events are outside KidsVentures' control and may not be covered by insurance.
- During such forced closures, customers remain liable for fees incurred throughout the closure period. This covers staffing and fixed operational costs that KidsVentures is still required to pay.
- In circumstances where the School itself initiates a closure, KidsVentures may issue a school closure credit note, depending on the nature and duration of the closure.

MEDICATION

- If your child requires medication of any kind, including inhalers, a completed and signed Medical Plan Form must be in place before they can attend. Please contact the KidsVentures office to request this form.
- A completed and signed Permission to Administer Medication Form is required for any medication that may need to be administered during a session. This form can be requested by contacting the KidsVentures office.
- KidsVentures must hold a separate, clearly labelled supply of your child's medication on site at the club. Medication stored by the school cannot be accessed or used during KidsVentures sessions, as KidsVentures is a separate organisation and staff do not have legal or physical access to school-held medication.

Please note: If the above is not in place, your child will not be able to attend the session.

KidsVentures

SAFEGUARDING & WELFARE

- If a child does not arrive at a booked session and KidsVentures has not been informed of their absence, staff will begin the Missing Child Procedure immediately.
- If staff are not informed of an absence by the close of registration at a KidsVentures After-School Club and the Site Leader must enact a Missing Child Procedure, a £3 absence non-notification fee will be charged. This fee contributes towards the management time required to carry out safeguarding procedures and helps reduce false alarms, ensuring rapid response in genuine situations.
- KidsVentures is committed to safeguarding all children in our care from harm, abuse, and neglect.
- KidsVentures Wraparound Care is legally obligated to report any suspected child abuse or neglect to the relevant authorities.
- Parents/Carers must inform KidsVentures of any medical, learning, behavioural, or other conditions that may affect their child's safety, wellbeing, or participation in sessions.
